

**Name: S Abhinaya Reddy**

Professor

Email: sangireddyabinaya@gmail.com

Phone: 9766666600

Address: 45 demon road, Osmania University, India

**Education**

Ph.D. in Computer Science from Osmania University

**Experience**

Over 12 years of experience in academia and research in Computer Science  
Responsibilities include conducting groundbreaking AI research and mentoring doctoral students.

**Research and Publications**

Research focused on machine learning algorithms, natural language processing, and data science.

**Skills****Research:**

Led various AI projects funded by government and industry grants.

**Publications:**

Published over 35 research articles in high-impact journals.

**Ph.D. Supervision:**

Successfully supervised 10 Ph.D. students.

**Curriculum Development:**

Developed courses in artificial intelligence and data science.
